Bharathraj R

Full Stack Developer | MERN Stack

bharathrajr.mca25@rathinam.in | 7845347093 | Nagapattinam, Tamil Nadu
https://www.linkedin.com/in/bharathraj-kumar

Career Objective

Aspiring full-stack developer seeking a software engineering role to leverage skills in MERN stack, build innovative applications, and contribute to team success while advancing my technical expertise and professional growth.

Skills

Hard Skills: HTML/CSS, Python, React.js, Node.js, JavaScript, C++, SQL

Soft Skills: Critical thinking, Time Management, Collaboration, Problem-Solving, Adaptability

Academic Projects

BehaviorLearn- Behavior-Enforced DSA Learning Platform *2026*

Python, React.js, Node.js, MongoDB, Express.js, REST APIs, Machine Learning

Live Demo

-Developed features for a DSA learning platform featuring structured learning workflows, coding challenges, and quizzes.
-Implemented analytics and personalized learning paths to support skill assessment and resource recommendations.
-Contributed to feature design and development focused on goal-oriented skill development and personalized learning.

Student Achievement Management System *2025*

React.js, Node.js, MongoDB, Express.js, REST APIs

Live Demo

- -Developed a system to streamline achievement tracking, certificate verification, and report generation for efficient record management.
- -Implemented role-based access control to ensure secure data handling across different user groups and support collaboration.
- -Integrated notifications and analytics to monitor activities and reduce manual effort in academic record management.

Next Jobby *2024*

React.js, REST APIs

Live Demo

- -Developed a job search platform with secure user authentication and detailed job listings.
- -Implemented search and filtering features to help users efficiently find relevant job opportunities.
- -Integrated React.js, REST APIs, and JWT authentication to enable secure and seamless user interactions.

Education

Rathinam Global University
MCA | General (2025 - 2027)

Bharathidasan University Tiruchirappalli
BCA (2025) **CGPA: 7.6**

National Higher Secondary School Nagapattinam
Class XII (2022) **Percentage: 62.7**

Natarajan Dhamayanthi High School
Class X (2020) **Percentage: 60.8**

Certifications

- Build your own dynamic website - NXTWAVE (July 2024 - September 2024)
 Skills learned: JavaScript
- Introduction to Database Sql - NXTWAVE (May 2023 - July 2024)
 Skills learned: SQL
- Built your own responsive website - NXTWAVE (December 2023 - January 2024)
 Skills learned: HTML/CSS
- Programming Foundations - NXTWAVE (May 2024 - July 2024)
 Skills learned: Python

Achievements

- Organised the ‘Code Smart Python: Learn, Code, Create’ workshop under the Tech Club at RGU campus, coordinating resources, participant engagement, and workshop execution
